## Marty Norman Rejoins Team

## Elks Win Two Out Of Three At Lethbridge

Playing at Lethbridge on Sunday, Vulcan Elks improved their league standing as they won two games out of three over the Miners.

Miners lost the completion of a game tied in Vulcan on Wednesday when Jim Pruden doubled to left centre to drive home Greg Seastrom and make the completed score read 12-11 for Elks.

The other two contests resulted in basketball scores in the end too with Vulcan taking the afternoon contest by a 15-12 margin and losing the evening effort by a 12-10 score.

Len Cooper started on the mound for the Miners and was relieved in the third inning of the first game by George Vaselenak. Bill Davidson pitched six innings for Vulcan before being relieved by Pat Gillick.

Don Berkle topped the Elks sluggers in the first contest with a 360-foot home run over the left field wall with the bases jammed in the second inning and added two singles in six trips to the dish. Auggie Scornalench helped himself to a large chunk of batting average smacking out two singles and a double in half a dozen appearances.

Shortstop Marty Norman, who just rejoined the club, made his presence felt with a 340-footer over the right-centrefield wall in the fifth inning with a mate aboard. He also had a single in five trips and made the fielding gem of the day knocking down a flicked single off the bat of Jocko Tarnava in the second inning with bases loaded.

Every regular in the Elks lineup except Don Jantzie had a hit.

**Evening Game**  
Lethbridge took advantage of the pitching wildness of Gillick in the third inning of the evening contest to rack up their only victory. They counted eight runs on three walks, four hits and two errors before Jerry Burcher, who came in to relieve could put out the fire.

Gillick gave up eight runs, three hits and four walks while Burcher walked none, gave up four runs and seven hits. Al Warnick started on the mound for the winners, pitching five innings before leading the bases with none out in the sixth and having to give way to big Bill Kucheran. Warnick allowed six runs on six hits and walked six while striking out five. Kucheran spaced eight hits for four runs, walked three and struck out eight.

Yanosik completed a fine day at the plate with two singles in four outings, Mike Vaselenak had two for four, Les Colwill and Warnick doubled each in three tries.

Seastrom was the big man for the losers with four singles in five chances while Davidson had two singles and a double in six at-bats.

In the extra-inning of the tie game the Lethbridge batters went down in order before Jerry Burcher while John Bosnack walked Mike Jantzie, got him on a run-down play and allowed a single to Seastrom. That set the stage for the game-ending double.

## The Weather

Hot weather has been general this past week and crops are making good progress. Most stands of grain are heavy and a rain around the end of the month would aid in filling.

A thunderstorm Tuesday evening brought showers of rain varying from light to heavy in the north and east parts of the district and wind accompanying the storm is reported to have flattened and lodged some crops east and south. No extensive hail damage has been reported this week in the county, although the Granum district is reported to have suffered hail damage Tuesday evening and some slight damage is reported from the district south-west of Champion.

## Nanton Wins Baseball Tournament at Champion

(By Champion Correspondent)  
The weatherman looked with favor upon Champion during the Lions' Three Day Annual Tournament. Ideal baseball weather prevailed throughout the three days, July 18, 19 and 20 both for the players and the spectators.

The final game, played on Friday, saw Nanton take top money by defeating Enchant 10-5.

The Champion and Gleichen ball clubs played the opening game on Wednesday, beginning at 12:30 p.m. The final score in this game was Gleichen 2, Champion 1. The battery for Champion was S. Passolli to A. Buchan. Passolli allowed only three hits and one walk. Gleichen's battery: Cole and McPhee. Cole allowed only five hits and three walks.

Readymade and Nanton were scheduled to play the second game of the day, but the Readymade club was unable to field a team, and although the Champion Lions' Club had contacted every known club in southern Alberta, they could not find a substitute. Champion and Nanton played a seven-inning game which had no bearing on the Tournament Playoff. The score in this game was 4-0 for the Nanton club. The battery for Champion: Bob Shearer and A. Buchan. Nanton battery: Harrigan to Dawson.

Nanton and Gleichen played the final game of the day. Battery for Nanton: Thrun and Dawson. Gleichen: Burrows, McPhee and Luciak. The final score was Nanton 15, Gleichen 0, putting Nanton in the final day's game.

Enchant and Barons in the second game of the day used up a lot of time with the final score of 20-2 with Enchant coming out on top. Barons battery: Ritter, Anderson, Seals and Hood. Enchant's battery: Baker to R. Weist.

In the third game Enchant won the right to play in the final game by winning over Carmangay with a score of 19-8. Enchant's battery: M. Weist, Verestek to R. Weist. Carmangay's battery: Tarnava,

## Last Rites For Pioneer Resident

A resident of the district since 1906, Mrs. Emma Jane Doane died Saturday, July 21st, following an illness of the past five years.

Born in 1879 at Carleton Place, Ont., she came west with her parents, Mr. and Mrs. Edward Hearne, well known pioneers. In 1909 she was married to D. L. Doane and continued to live in the district and in Vulcan ever since.

She was a Past Noble Grand of the Cloverleaf Rebekah Lodge, and was a member of the Vulcan United Church.

She leaves to mourn her, a son, Orlo of Vulcan, one daughter Mrs. Norman (Beryl) McKague of Trail, B.C., eight grandchildren, and two sisters, Mrs. Amy Clayton, High River and Mrs. Peter McIntyre of Vulcan. She was predeceased by her husband in 1954 and by two sisters, Mrs. Joe Richardson, Vulcan and Mrs. Dave Patterson, Dundalk, Ont.

Funeral services were held from the Vulcan United Church, Wednesday afternoon, with Rev. J. S. Clarke performing the rites. Pallbearers were E. G. McPherson, O. B. Roe, J. C. MacMillan, Clare Dunham, Alvin Fulton and Ray Onstad.

Interment was made in the family plot of the Vulcan cemetery.

## Gorbous Hitting Near .300 Mark

Vulcan's Glen Gorbous, a member of the Miami (Florida) Marlins of the International baseball league, was used as a pitcher recently while in a hitting slump and yielded two runs in two innings.

Since then he has been on a terrific hitting streak and in his last 29 times at bat banged out 13 hits. He is now hitting near the .300 mark for the season and is playing regularly in right field.

## Mile-long Parade Features Lions Sports Day, Lomond

(By Lomond Correspondent)

The Lomond Lions Club Sports Day was held in Lomond on Friday, July 16. First on the program for the day was a mile long parade headed by the Tilley Band, followed by floats, gaily decorated bicycles, carts, etc. Many beautiful decorated cars, cowboys, Indians, a band of Arabs, a lion and other comic items. This parade was enjoyed very much by all.

Following the parade and the judging for prizes in it, the Boys 4-H Calf Club was the centre of attraction. Ira Lapp, District Agriculturist of Brooks, was present to award the various prizes to the ones with the best calves.

Horse races, hide races and stock car racing were also held during the afternoon. There were also all kinds of races for the children of all ages groups to participate in, although it seemed rather hard to get them interested as they were so busy trying to watch everything at once.

As in most Sports Days the main attraction was the baseball tournament held at the grounds. The teams competing were Lomond, Sundial, Enchant and Champion, with Enchant being the big money winners for the day and Champion winning 2nd place.

The games of chance and bingo attracted quite a large crowd and the refreshment booth did a thriving business.

Tickets were sold during the day on two beautiful bride dolls and also on an exact replica of the large grain building. These were drawn at the dance held in the Community hall in the evening. Winners of the dolls were Mrs. Leonard Huff and Mrs. Anton Volosky. Marie Bolduc was the lucky

Hildreth, Davis and Burley.

Nanton, the top team of the first day and Enchant played off for first money on Friday July 20, beginning at 5:30. The final score was in favor of Nanton, 10-5. Nanton battery: Thrun and Dawson. Enchant battery: M. Weist, Verestek, O'Seen to Roy Weist. Umpires were J. G. Steeves, Clarence Rhodes and Cecil Rhodes.

The Champion Lions Club catered to the appetites and thirst of the spectators and players with ice cream, soft drinks, hot dogs, coffee and home-made doughnuts, from their booth beneath the grandstand. A good crowd attended the dance in the Community hall on Friday night when Fraser's orchestra supplied the music.

## Oldest Resident and Pioneer, 'Grandma' Carruthers Passes

Another link with the pioneer days of the district was broken on July 20 with the death in Calgary of Vulcan's well-known Mrs. Joyce Carruthers in her 92nd year.

Known affectionately far and wide as 'Grandma Joyce,' Joyce Howell was born April, 1865, in England. She was married to the late Stephen Forrester, November 12, 1892 and came to Canada with him and their two children the year that Alberta became a province. In 1905, they lived for one year at Fernie B.C. and came to the Vulcan district in 1906, taking up a homestead two miles north of the present airport.

Mr. Forrester died in 1928 and three years later she married John Carruthers, another oldtimer of the district. Mr. Carruthers predeceased his wife in 1948.

Mrs. Carruthers was a member of Cloverleaf Rebekah Lodge and of the St. Aldhelm's Church Guild, for many years. She was also a charter member of the Good Deeds W.I. Always willing to help when needed, she assisted Dr. Carson deliver many of the citizens of those early days of the district.

She is survived by one daughter, Mrs. Ross (Alice) Clark; an only son, Fred Forrester died at Sarcee training camp at Calgary November 11th, 1918 the day the Armistice was signed. There are three grandchildren and six great grandchildren.

She was one of the first members of St. Aldhelm's Anglican Church and was the oldest parishioner, both in years and in standing.

## Will Allow One Fire Truck Out of Town

A long-standing and contentious problem was settled at the regular town council meeting this month when council decided that members of the fire department would be allowed to take one of the fire trucks out of town in response to calls to help fight fires at neighboring farms or villages. Insurance regulations do not permit both trucks to go out, thus leaving the town completely without fire protection, and the main pumper will not be permitted to go outside the town limits.

Building permits were approved in the amounts of \$500 for an addition to the Scout hall and \$1800 for 14x38 and 11x19 additions to the Town & County Cleaners plant.

The sidewalk program this year includes a new sidewalk as far as the nurses' residence at the hospital and repairs to downtown sidewalks from the L.O.O.F. hall to Mitchell Drugs, from the Red & White Store to the Bruce Block and from the Bruce Block corner to the County office.

## Earl Armstrong Dies Suddenly

Funeral services for the late Earl Armstrong were held in the Vulcan United Church on Monday, July 23 with Rev. J. S. Clarke officiating.

Mr. Armstrong was born in Lomond and was 45 years of age. He was a very prominent business man in Lomond and took a very active interest in the community. He also was a very active member of the Lions Club. He passed away suddenly on Friday afternoon while loading grain into a storage building.

He leaves to mourn, his widow Mrs. Alberta Armstrong, one daughter Lillian (Mrs. LeRoy Hostetler), two sons, David and Leslie, and two grandchildren, all of Lomond; his mother, Mrs. Wm. Bradley; two brothers, Gordon and Bradley, all of Calgary, and two sisters Edna and Ozola of Chicago, Illinois.

Pallbearers were Peter Ruppert, Arthur Humphreys, Floyd Sande, Allan Valle, Bill Brown and Gilbert Hones. Interment was made in the Vulcan cemetery with the Snodgrass Funeral Home in charge of arrangements.

Deepest sympathy of everyone in Lomond and district is extended to Mrs. Armstrong and family of the loss of a beloved husband and father.

### MAJORVILLE

Jack Sutherland was a patient in Bassano hospital for a few days last week with an infected finger. We are glad to report that Jack is now home and the infection has cleared up.

Forest Hostetler of the State of Washington, USA, who has been visiting his son and daughter-in-law, Mr. and Mrs. Roy Hostetler of Lomond, was in the district last week renewing acquaintances.

Mr. and Mrs. Ray Wellman have taken up residence in Vulcan for the summer.

Sunday guests at the home of Mr. and Mrs. Hugh Winch were Mr. and Mrs. Harvey Fuller and family of Bassano, Mr. and Mrs. Sam Francis of Shoultice, Mr. and Mrs. Gordon Boyd and family and Mr. and Mrs. Ivan Winch.

How the men who have been busy in the hay fields stand the terrible heat of the past few days is a mystery. The thermometer has been between 80 and 90 all week, and grain has begun to turn and if the progress continues it won't be too long before the swathers are at work for another crop.

Mr. and Mrs. Lewis Greaves went to the Hanna district during the week where they visited with Mr. and Mrs. Bob Lore.

Little Alice Gordon of Cluny, who has been staying with her grandparents Mr. and Mrs. George Heather, had a narrow escape this week when she fell through the lid of a now disused septic tank. Fortunately there was a second cover and the only injury Alice suffered was a badly bruised arm which was caught between the two covers.

Of local interest is the birth of a son in the Holy Cross hospital at Calgary to Mr. and Mrs. Don Gordon (nee Donna Heather) of Cluny.

Mr. and Mrs. Alf Heather arrived home on Friday after spending the past three weeks at the coast.

During the past number of years a big improvement has been noticed in the prairie dwellings and now the barn swallows have decided to also improve their location. Until this year they were quite content to build in the barn, the hen-house, hog shed or just any old shed that had an open door, but this year such surroundings aren't good enough to start housekeeping so they have all but confiscated our house. A couple of weeks ago when the project got underway we thought only a couple were setting up housekeeping quarters but by the middle of that week about twenty nests were surrounding our humble abode. The word must have gone out to all the kinsmen.

Whether to start demolition operations is the question. We recall to memory a superstition of the farmer in the homeland that it is lucky to have the swallows build in the eaves of the barn as it signifies a full barn of feed for the winter.

We have always encouraged the feathered creatures around the place, but this is different. These creatures think they own the place. Go out the door or return to the house and a flock of swearing swallows are daring you to proceed further.

Lucky or unlucky, I'm afraid they will have to seek other quarters for their offspring and their 3 o'clock in the morning serenade.

Four 4-H members left for Olds on Sunday to attend Achievement Week, those going being Joyce Christie for the Garden Club; Helen Tharlie, the Sewing Club; Doug Green, the Arrowwood-Mossleigh Grain Club; and Dwayne Hill for the Beef Club. These boys

and girls were efficiency winners during the past year in their respective clubs.

A number of the wives of the Gun Club members took a gun in

Friends of Mr. Wilson Sr. will be glad to know that he is home again and hope to see him about soon.

ON THE NOSE

A sweet old lady, always eager to help the needy spied a particularly sad-looking old man standing on the street corner. She walked over to him, pressed a dollar bill into his hand and said, "Chin up."

The next day, on the same corner the sad old man shuffled over to the sweet old lady and slipped ten dollars into her hand. "Nice pickin'," he said in a low voice. "Chin up paid nine to one."

There is no peace, saith my God, to the wicked." Isaiah 57:20 & 21 "God was in Christ reconciling the world unto Himself."

II Corinthians 5:19 To escape the wrath of God and find peace one must flee to Christ for refuge.

"For it pleased the Father that in Him should all fulness dwell; And having made peace through the blood of His cross, by Him to reconcile all things unto Himself."

Colossians 1:19 & 20 "For He is our peace" (read Ephesians 2:14).

Oh! The peace my Savior gives, Peace I never knew before; For my way has brighter grown, Since I learned to trust Him more.
